Director's Message

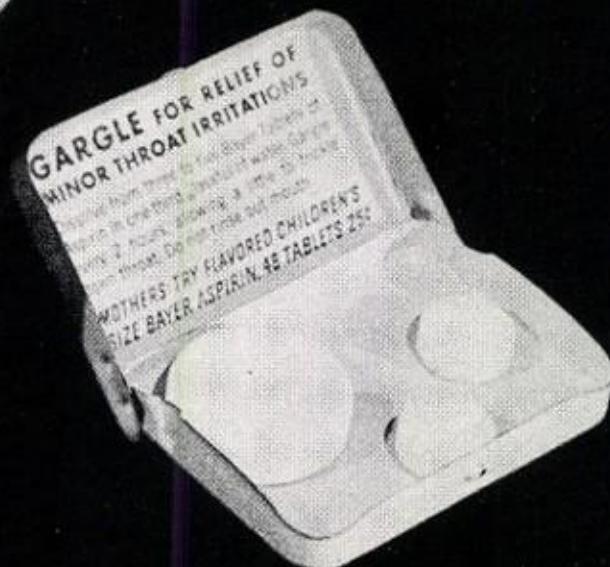

This 1959 Tiger certainly qualifies as one of the better volumes which Lick-Wilmerding editors and their staff members have prepared, and, in preparing have recorded all the outstanding and memorable events of the school year just passed. It is with no psychic aid that I am able to predict that the reception of the 1959 Tiger by the students will be an enthusiastic one and that those responsible for its publication will be the recipients of well-deserved praise.

It is one thing—and a truly important thing it is—to have a school populated by able, cooperative and creative students. It is another thing, and this is an exceptional achievement, to have members of that student body who are able by using their skills in writing, art, and photography to record within the covers of a yearbook the same vitality which is characteristic of the School. To any interested reader the students' enthusiasm and loyalty to the School is evident on each page. In accomplishing this the 1959 Tiger has eliminated the too often static quality of similar publications by presenting a lively, provocative picture of the school year which has been so thoroughly enjoyed and appreciated by the members of our student body and staff.

The teachers who have brought their knowledge and enthusiasm to their work, the students who have benefited by this instruction and created the challenges the faculty has met, and the splendid cooperation and understanding from parents with which the School has been blessed are all contributing factors to the success of this 1959 Annual.

Finally, special commendation should go to Peter Wilmarth, the Editor, and his able staff.

Tigers Romp To Undefeated Victory

For the second year in a row the Lick Varsity has captured the BCAL football crown, this year winning every game. Not since 1923 has Lick fielded an undefeated team. With speed, size and desire for victory the Tigers raged through their eight games, always winning by two or more touchdowns. Lick average 30.3 points per game, while their opponents averaged only 4.6 points per game. Our team was superbly coached by Roger Sobel and Carl 'Dufo' Mitchell. Coach Sobel always referred to his team as "my 22 first stringers," which is illustrative of the quality of the team. Mr. Tibbetts (who has seen Lick's best) declared this team as being "undoubtedly the finest ever." Only once did the Tigers find themselves behind in a game, that being with our arch-rivals, Menlo; this contest decided the championship. Menlo held a 6-0 edge until the final two minutes of the first half, when Lick pushed in for 7 points and went on to win a decisive 26-12 victory. To mention any one player as a standout is an impossibility since the reason for Lick's outstanding success was unsurpassed teamwork. Congratulations, Tigers!

Tiger Five Takes Close Second

The Lick Varsity Basketball Team, superbly coached by Art Free, had an extremely successful season this year. Placing second in league competition, the Tigers won twelve games while dropping only two.

This was undoubtedly the best team Lick has had since we entered the BCAL. The team's strength lay in eight "regulars"—two returning all-conference stars, Bob Hammer and Tom Inman; returning first stringer Joe Pfister; two all-conference "30's"; and play-makers Phil Gambucci and Dave Ellertson. During pre-season play, Lick stunned the "Triple A" circuit with a thrilling 53-49 upset over Galileo. In other practice games Lick defeated Westmore and Tomales Bay and bowed to Mission by only three points.

Dramatically speaking, Lick lost the BCAL co-championship by one point. Had it not been for a "fluke" shot by Half Moon Bay with three seconds remaining, Lick would have tied Emery for first place.

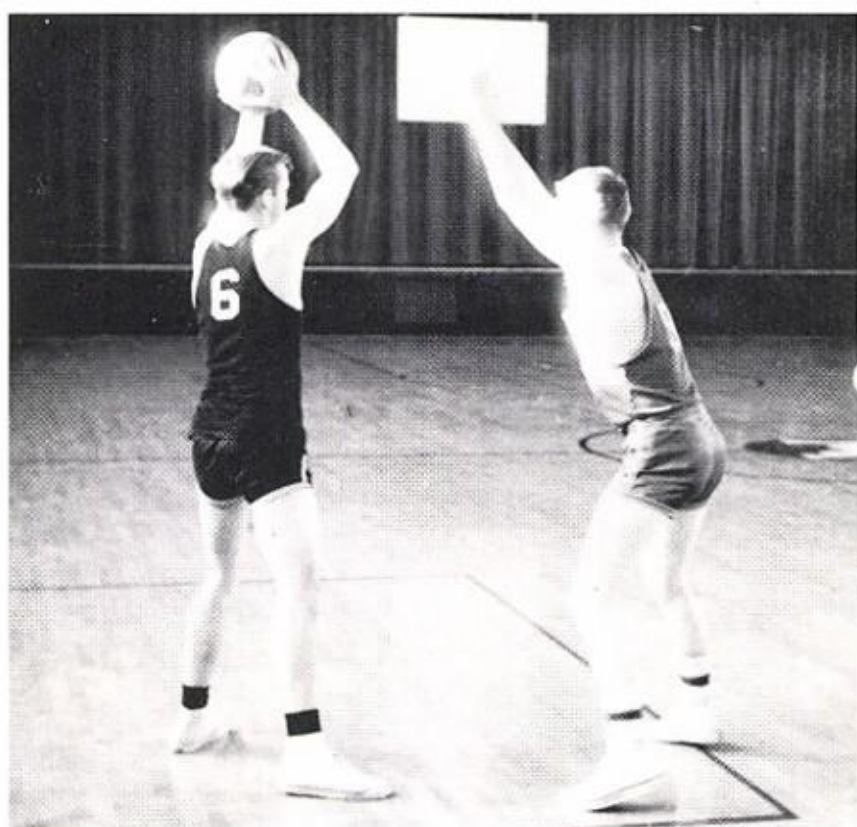

The season's most exciting game was played against Emery on our home court. Previously, Emery had beaten the Tigers by 18 points, and everyone expected a repeat performance—everyone except the team. Led by Tom Inman's jump shooting, Steve Gantner's vicious rebounding, Chip Hunt's and Dave Ellertson's fine defensive game, the Tigers upset the Emery cagers 53-48, marking Emery's first defeat in thirty league games.

The season was climaxed by the first annual Varsity-Alumni game in which former Lick All-Stars won by one point in an exciting contest.
